

CVUSD 2019-2020 Elementary Reclassification Criteria Grades TK-6

Instructions	Two trimester grades are recommended to meet Reclassification Criteria of 70% of better. Special Education students who can successfully complete all four sections of ELPAC are part of this criteria. Students who need alternative criteria due to their individual needs, should follow Riverside County SELPA and CVUSD policies and procedures for reclassification of EL students with disabilities.								
	Grades TK-3	CVUSD Writing Assessment	Genre specific process writing assessment passed with rubric equivalent of 70%.						
	Grades 4-6	CAASPP/SBAC	Reflects a score of Standard Met (SM) or Standard Exceeded (SE) OR a score of Standard Nearly Met (NM) with average of 70% on CVUSD Writing Assessment. NEARLY MET candidates may also meet additional assessments to be considered for LAT team discussions. Additional assessments could include Curriculum embedded assessments, Reading Lexile, Writing on demand assessment, SpEd Triennial assessments...						
Criteria B	Grades	Report card marks/grades in English Language Arts = the equivalent of 70% (2, 3 or 4).							
Criteria C	ELPAC	Students scoring a PL4 (well developed) ELPAC scale score will be considered "proficient" in this category, as established by CDE in January 2019.							
Criteria D	Parent Input	Parent recommendation and support for reclassification after all information is gathered during LAT meeting.							
Criteria E	Teacher Input	Teacher recommendation based on overall student performance and teacher observation. Teacher makes recommendation prior to parent meeting and may be present during LAT meeting.
