

CVUSD 2019-2020 Secondary Reclassification Criteria Grades 7-12

Instructions	Two trimester grades are recommended to meet Reclassification Criteria of 70% or better. Special Education students who can successfully complete all four sections of ELPAC are part of this criteria. Students who need alternative criteria due to their individual needs, should follow Riverside County SELPA and CVUSD policies and procedures for reclassification of EL students with disabilities.										
Criteria A (If no CAASPP, look to other listed criteria)	Grades 7-12	CAASPP/SBAC	Reflects a score of Standard Met (SM) or Standard Exceeded (SE) OR a score of Standard Nearly Met (NM) with average of 70% on CVUSD Writing Assessment. NEARLY MET candidates may also meet additional assessments to be considered for LAT team discussions. Additional assessments could include Curriculum embedded assessments, Reading Lexile, Writing on demand assessment, SpEd Triennial assessments...								
		If no CAASPP available	A score of an average of 70% or equivalent on CVUSD Writing Assessment can be used.								
	Grades 10, 11, 12	SRI Reading Inventory	Students who are in 10th, 11th, or 12th grade can be reclassified using the Reading Inventory Assessment. This option is for students who are at "well developed" on ELPAC, but grades and/or skills assessments do not meet the criteria, and for whom there are no CAASPP scores or are not enrolled in ELD.								
Criteria B	Grades	Report card marks/grades in English Language Arts, 70% (A, B, or C).									
Criteria C	ELPAC	Students scoring a PL4 (well developed) ELPAC scale score will be considered "proficient" in this category, as established by CDE in January 2019.									
Criteria D	Parent Input	Parent recommendation and support for reclassification after all information is gathered during the LAT meeting.									
Criteria E	Teacher Input	Teacher recommendation based on overall student performance and teacher observation. Teacher makes recommendation prior to parent meeting and may be present during the LAT meeting.
