School Profile

Coachella Valley High School provides instruction for students in grades 9 -12. During the 2019-21 school year, a total of 2,706 students were enrolled. The school's enrollment for 2019-20 was comprised of 89.3% socioeconomically disadvantaged students, 11.1% students with disabilities, and 13.7% English Learners.

The instructional program promotes a culture of preparation for both college and career success through programs of study, academic disciplines, school presentations, guest speakers, and counseling. Students have access to a wide range of career technical education programs, sequenced pathways, and California Partnership Academies. Advanced Placement courses are offered across all core academic strands, in addition to concurrent enrollment college courses.

School Vision

A school that promotes growth, collaboration, and leadership for all students.

School Mission

Through collaboration between all Coachella Valley High School stakeholders, we strive to unlock students' educational growth and individual progress so that they may become productive community members and leaders.

School Learning Objectives

The ASB leadership group proposed a list of valued traits, and then had the student vote on the traits.

The ASB student body selected for School Learning Objectives (SLO): Positivity, Respect, Integrity, Determination, Excellence

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

All textbooks used in the core curriculum at Coachella Valley High School are being aligned to the Common Core State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's adoption cycle for core content materials (English/language arts, math, science, and social science).

On October 8, 2020, the Coachella Valley Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 2021-10 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social, science, and English/language arts, including the English language development component of an adopted program, 3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2020-21 school year, Coachella Valley Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

Condition of Facilities - Riverside County Williams Inspection Results

On an annual basis, representatives from the Riverside County Office of Education visit Coachella Valley Unified School District's schools to conduct a Facility Inspection. The inspection is designed to evaluate and verify that the school facilities' conditions are in "good repair" and that any deficiencies are accurately reported in the School Accountability Report Cards. The most recent facility inspection for Coachella Valley High School took place on January 22, 2021. Results of the inspection are provided in the following table.

Custodial Staff inspects and readies all student/faculty restrooms with supplies, and checks for proper operations.

Implemented in 2018-19, a Google reporting form is made available to all teachers for priority maintenance needs that are urgent/immediate. Work Orders are submitted in a timely manner, with a tracking system.

Work orders can be submitted for each item listed below with a tracking system for accountability:

- * Work order for Leaking water fountains fixed as soon as reported
- * Ceiling tiles will be replaced.
- * Graffiti will be removed as soon as reported

Campus Improvements for 2018-19:

- * Carpet replaced in the Library

- * Carpets cleaned in each classroom each summer
- * Carpet Re-Seamed and cleaned in the Auditorium
- * Benches will be painted.

Planned 2019-2020 Campus Improvements:

- * The track is being repaired during the month of January.
- * Carpet cleaned over the summer.
- * Gym floor is resurfaced over Spring Break. April 12, 2020.
- * Vents: all vents will be inspected, cleaned over summer detailed cleaning.
- * Webs and dust were reviewed during a custodian meeting. All areas need to be dusted and free of webs.
- * Improvements to school air filtration.
- * Painting of doors and sidewalks to designate foot traffic routes.

Planned 2020-2021

- * Carpets cleaned over the summer
- * Gym floor resurfaced over Spring Break, April 5-9 2021
- * Classrooms retrofitted for Covid-19 Safety Protocols Jan-Mar 2021
- * Vents will be upkept, cleaned over summer detail cleaning
- * Webs and dust continued to be inspected and cleaned as needed
- * Continue monitoring school air filtration
- * Painting doors, sidewalks etc. as needed
- * HVAC replaced in specific classrooms.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	19	N/A	21	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents are encouraged to get involved in their child's learning environment either by volunteering on campus, participating in a decision-making group, or simply attending school events.

School-to-home communication is provided in English and Spanish. Parents stay informed on upcoming events and school activities through the monthly calendar, web site, newsletters (one per trimester), marquee, and automated phone. Contact the parent liaison at (760) 399-5183 for more information on how to become involved in your child's learning environment.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The Comprehensive School Safety Plan was developed for Coachella Valley High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The 2020-21 school safety plan was reviewed and updated, and subsequently approved by the SSC on February 24, 2020. It was board approved on May 7, 2020.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	9.6	4.9	---
Expulsions	0.04	0.01	---

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement			

All training and curriculum development at Coachella Valley Unified School District revolves around the California State Standards and Frameworks and Common Core State Standards including Distance Learning and Social Emotional wellness. The district's Educational Services Division works closely with school administrators, teachers, and the superintendent to identify staff training needs based upon review of student performance data results, monthly site leadership collaboration efforts, principal input, technology needs for distance learning and a multi-tiered system for social emotional support.

Staff members refine teaching skills and concepts through participation in conferences and workshops throughout the year. Training activities typically relate to the teacher's area of expertise and covers innovative strategies and techniques to improve student achievement and the quality of classroom instruction. This year we have added trainings in technology and delivery of curriculum through a virtual setting. Teachers may participate in district-sponsored seminars presented by district personnel, outside consultants, and lead teachers.

The district offers two distinct programs to support professional growth and improve instruction in the classroom. The Beginning Teacher Support and Assessment (BTSA) program offers support and assistance to newly credentialed teachers. All participating new teachers are provided peer support over a two-year period.

The Peer Assistance and Review (PAR) program is available to veteran teachers who need to improve instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance. Experienced and knowledgeable veteran teachers, referred to as "coaches", are paired with teachers referred to the PAR program to provide individualized guidance, support, and training.

Classified staff receive job-related training from qualified district personnel and consultants. Special education aides received specialized training from district office personnel. Long-term substitute teachers are invited to attend designated training sessions.

Career Technical Education Programs

Coachella Valley High School offers nine CTE pathways in seven industry sectors, total CTE enrollment is 1450 students. Four pathways are cohorted with academic subjects and supported through California Partnership Academy (CPA) funding. The five pathways (Patient Care, Film, Public Safety, Hospitality/Tourism) all have robust work-based learning programs, active CTSO participation, and meet the eleven elements of high quality CTE. The remaining pathways (AgriScience, Mental and Behavioral Health, Horticulture, Cisco Networking, Engineering Design) are not cohorted with academic subjects, but all course outlines have been updated with alignment of CTE and academic standards based upon key assignments for each unit of study. A total of 29 CTE courses are offered throughout the nine pathways, all of the courses have been approved through the UC/Cal State system and award A-G credit. Of the 26 courses, 12 courses offer A-G academic credit in math, science, or fine arts. The remaining 17 courses offer A-G elective credit. All student populations are supported through after school tutoring to ensure success in all CTE programs.

Each program is evaluated yearly using the rubric for the eleven elements of high quality CTE, with goals set for each pathway for elements that do not meet high quality. Program data is also collected on total number of students meeting A-G requirements, enrollment and participation in CTSO's, Certifications, suspensions/expulsions, GPA, attendance, and students earning dual enrollment credit. Program data collected confirmed higher A-Grades for CTE students versus the general population of students across the district (50% vs. District Average of 33%), higher attendance rates, lower suspension and expulsion rates, and higher GPA's to highlight a few.

The schools hosts two advisory meetings each year with representatives from each of the industry sectors. Kim McNulty, Director of One Future Coachella Valley is the CTE Advisory Committee Chair.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
