### School Description

Oasis Elementary School is situated in the heart of the Oasis Community. The Oasis community is predominately made up of farm and field laborers with a significant migrant population. Most of our families are living at the poverty level (97.9% socioeconomically disadvantaged students) and the vast majority of our students live in trailers. The conditions of the trailer parks that house our families range from extremely poor to moderate. The school building serves as the unofficial community center, and the facilities are not only used for school events, but also non-school events such as the FIND Food distribution and ESL classes. Many of our students rely on the school to provide two to three nutritious meals a day. Additionally, our students need a significant amount of training in social skills, which we provide with school-wide Positive Behavior Intervention and Supports.

Oasis Elementary School provides instruction for students in grades TK-6. During the 2019-20 school year, a total of 576 students were enrolled. The school's enrollment for 2019-20 was comprised of 97.9% socioeconomically disadvantaged students, 8.9% students with disabilities, and 75.0% English Learners.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials for Oasis Elementary	18-19	19-20	20-21

### Teacher Misassignments and Vacant Teacher Positions at Oasis Elementary

Indicator	18-19	19-20	20-21
Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

All textbooks used in the core curriculum at Oasis Elementary School are being aligned to the Common Core State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's adoption cycle for core content materials (English/language arts, math, science, and social science).

On October 8, 2020, the Coachella Valley Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 2021-10 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social, science, and English/language arts, including the English language development component of an adopted program, 3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2020-21 school year, Coachella Valley Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

### **School Facility Conditions and Planned Improvements (Most Recent Year)**

The district takes great effort to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Oasis Elementary School took occupancy of its new facilities on February 16, 2009. Ongoing maintenance and campus improvements will ensure facilities remain up to date and provide adequate space for students and staff.

#### 2019-20 Campus Improvement:

- Doors were painted
- Lights around the school were replaced as needed
- A new portable sound system was purchased
- An ice-maker and microwave oven were purchased
- A golf cart was purchased for custodians to dispose of trash and carry materials and move around campus
- The cafeteria vents were cleaned
- Rain gutters were cleaned
- Repaired playground structure as needed
- Air conditioner in K-7 was fixed
- COVID safety guidelines posters were placed

#### Planned 2020-2021 Campus Improvements:

- Repair playground structures as needed
- Replant trees as needed
- Replace broken equipment for the cafeteria sound system
- Work with custodian to ensure all vents are inspected, cleaned and replaced as needed
- Work with custodian to ensure webs and dust are cleaned as needed

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	20	N/A	29	N/A	50	N/A
Math	25	N/A	21	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-21)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. This year's activities were held following COVID 19 pandemic protocols once schools were closed due to the pandemic.

School-to-home communication is provided in English and Spanish. Parents stay informed on upcoming events and school activities through monthly calendars, student agendas/ binders, Blackboard Connect, Aeries Parent Portal, class newsletters, automated telephone messages, the school website, and facebook. Contact the parent liaison at (760) 397-4112 for more information on how to become involved in your child's learning environment.

#### Opportunities to Volunteer

- School Program Volunteers
- Classroom Helper

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the following individuals are strategically assigned to designated entrance areas, the breakfast area and playground: the principal and seven yard supervisors. During the morning recess and lunch time the principal and playground supervisors monitor playground activity. During dismissal, teachers and the principal monitor student behavior to ensure a safe and orderly departure. One yard duty supervisor is assigned to the parking lot after school to supervise traffic and assist students in the afternoon when the late buses are preparing for departure. The principal is also present in the parking lot to assist with supervision and traffic safety.

Oasis Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds. Due to COVID-19 parents were encouraged to conduct business through phone and make appointments. COVID safety recommendation posters were placed outside the school and COVID-19 safety guidelines such as wearing masks and distance were observed.

School Safety Plan

The Comprehensive School Safety Plan was developed in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's 2020-21 school safety plan was reviewed, updated, and approved by the SSC on April 21, 2020 and board approved on May 7, 2020.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.1	2.3	5.2	4.7	3.5	3.5
Expulsions	0.0	0.0	0.1	0.0	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.9	4.9	---
Expulsions	0	0.01	---

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement			

All training and curriculum development at Coachella Valley Unified School District revolves around the California State Standards and Frameworks and Common Core State Standards. The district's Educational Services Division works closely with school administrators, teachers, and the superintendent to identify staff training needs based upon review of student performance data results, monthly site leadership collaboration efforts, and principal input.

Staff members refine teaching skills and concepts through participation in conferences and workshops throughout the year. Training activities typically relate to the teacher's area of expertise and covers innovative strategies and techniques to improve student achievement and the quality of classroom instruction. Teachers may participate in district-sponsored seminars presented by district personnel, outside consultants, and lead teachers.

The district offers two distinct programs to support professional growth and improve instruction in the classroom. The Beginning Teacher Support and Assessment (BTSA) program offers support and assistance to newly credentialed teachers. All participating new teachers are provided peer support over a two year period.

The Peer Assistance and Review (PAR) program is available to veteran teachers who need to improve instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance. Experienced and knowledgeable veteran teachers, referred to as "coaches", are paired with teachers referred to the PAR program to provide individualized guidance, support, and training.

Classified staff receive job-related training from qualified district personnel and consultants. Special education aides received specialized training from district office personnel. Long-term substitute teachers are invited to attend designated training sessions.

## **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
