2017-18 School Accountability Report Card Published During the 2018-19 School Year

Principal's Message

The staff at Las Palmitas Elementary is proud of their school and welcomes the opportunity to tell you more about it. Las Palmitas is a K-6 school currently serving approximately 650 students. We are the elementary school that is part of the K-12 Educational Park which consists of Las Palmitas Elementary, Toro Canyon Middle School, and Desert Mirage High School. Our school is the focal point of a rural farming community whose residents are mostly agricultural field workers. Almost 70% of our students are English Language Learners and 95% are qualified to receive free or reduced meals.

We have a strong commitment to provide the best educational program possible for our students. We are focusing on the academic success of each child and have established programs recognizing student achievement in several areas including, academics, attendance, and citizenship. Our school is a welcoming, stimulating environment where students are actively involved in learning academics in addition to positive values.

At Las Palmitas Elementary School, we are fortunate to have hard working, enthusiastic staff members that are eager to make a difference in the lives of our students and actively participate in various extra-curricular programs to benefit our students. Our school slogan is "We Are Community." We are a partnership of students, staff, parents, and community members working together for the successful education and well being of our students. We value one another and strongly believe a collaborative effort will enable our students to become academically focused, responsible, independent, and lifelong learners.

School Vision

We will be a high functioning and high performing school, as demonstrated by our students' academic achievement, personal growth, and our exemplary Professional Learning Community.

School Mission

The mission of our school is to establish and sustain an environment, with high expectations, that ensures all students attain a proficient level of academic achievement, as determined by the California State and National Standards. As a Professional Learning Community, we commit to providing a comprehensive support system that provides interventions and differentiated instruction to ensure the success of all students. Therefore, it is our purpose to provide a nurturing and safe environment that will inspire students to be engaged in their own academic and social growth.

District & School Profile

Coachella Valley Unified School District covers more than 1,200 square miles of mostly rural desert terrain, serving the communities of Coachella, Thermal, Mecca, Oasis, Indio, and the Salton Sea. The district currently operates fourteen elementary schools, three middle schools, three comprehensive high schools, one continuation high school, and one adult school. Coachella Valley Unified School District has a growing reputation for innovative programs and outstanding staff.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <u>https://www.cde.ca.gov/ta/ac/sa/</u>.
- For more information about the LCFF or LCAP, see the CDE LCFF web
 page at <u>https://www.cde.ca.gov/fg/aa/lc/</u>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

All textbooks used in the core curriculum at Las Palmitas Elementary School are being aligned to the Common Core State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's adoption cycle for core content materials (English/language arts, math, science, and social science).

On September 20, 2018, the Coachella Valley Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 2019-13 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social, science, and English/language arts, including the English language development component of an adopted program, 3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2018-19 school year, Coachella Valley Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great effort to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Las Palmitas Elementary's original facilities were built in 2004; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

2018-2019 Campus Improvements in Progress:

- Installation of solar panels
- Examine and repair water fountains to ensure they are in usable order
- Replace lightbulbs that aren't working
- Replace stained ceiling tiles

Every morning before school begins, the day custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Las Palmitas Elementary. The day custodian is responsible for:

- Cafeteria Cleanup/Setup
- General Maintenance
- Restrooms

Restrooms are checked at least twice a day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Restrooms
- Office Areas
- Classrooms
- Special Event Preparation

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
Subject	Sch	ool	District		State

Math	14.0	19.0	16.0	19.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

School-to-home communication is provided in English and Spanish. Parents stay informed on upcoming events and school activities through Blackboard Connect, school newsletters, student agendas, monthly calendar, the school marquee, school website, flyers, and social media. Contact the principal or any school staff member at (760) 397-2200 for more information on how to become involved in your child's learning environment.

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Safety Plan was developed for Las Palmitas Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school safety plan is reviewed and updated in October, 2018, and discussed with school site council on February 05, 2019.

Professional Development provided for Teachers

All training and curriculum development at Coachella Valley Unified School District revolves around the California State Standards and Frameworks and Common Core State Standards. The district's Educational Services Division works closely with school administrators, teachers, and the superintendent to identify staff training needs based upon review of student performance data results, monthly site leadership collaboration efforts, and principal input.

Staff members refine teaching skills and concepts through participation in conferences and workshops throughout the year. Training activities typically relate to the teacher's area of expertise and covers innovative strategies and techniques to improve student achievement and the quality of classroom instruction. Teachers may participate in district-sponsored seminars presented by district personnel, outside consultants, and lead teachers.

2016-17 District-Sponsored Professional Development:

The district offers two distinct programs to support professional growth and improve instruction in the classroom. The Beginning Teacher Support and Assessment (BTSA) program offers support and assistance to newly credentialed teachers. All participating new teachers are provided peer support over a two-year period. The Peer Assistance and Review(PAR) program is available to veteran teachers who need to improve instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance. Experienced and knowledgeable veteran teachers, referred to as "coaches", are paired with teachers referred to the PAR program to provide individualized guidance, support, and training.

Classified staff receive job-related training from qualified district personnel and consultants. Special education aides received specialized training from district office personnel. Long-term substitute teachers are invited to attend designated training sessions.

Site-Based Training

Through the collaborative efforts of Las Palmitas Elementary School's administration, leadership team, and teaching staff, specific areas of study are selected to improve instructional practices, address areas needing improvement, and implement new programs for improved student learning. Professional training needs are identified through analysis of student performance data, district survey results, and Academic Program Survey results. During the 2018-19 school year, Las Palmitas Elementary School allocated time after school at staff meetings and on early release Wednesdays for professional development and Professional Learning Community activities focused on:

- Writing (NVF)
- PBIS
- Math Journaling
- School Safety
- ELPAC
- K-6 AVID
- Google Classroom
- CAASPP administration
- ALICE (Active shooter) training
- RTI (Response to Intervention)

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <u>https://dq.cde.ca.gov/dataquest/</u> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
