School Vision

Peter Pendleton School's vision is to promote a safe, secure, and respectful learning environment.

School Mission

We will commit to rigorous and effective instruction to facilitate high student academic performance. Instructional strategies will be enhanced through group collaboration, including data analysis and progress monitoring. We will consistently engage in relevant professional development for the advancement of our school vision.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

All textbooks used in the core curriculum at Peter Pendleton Elementary School are being aligned to the Common Core State Standards. Instructional materials are selected from the state’s most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education’s adoption cycle for core content materials (English/language arts, math, science, and social science).

On September 20, 2018, the Coachella Valley Unified School District’s Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 2019-13 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social, science, and English/language arts, including the English language development component of an adopted program, 3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2018-19 school year, Coachella Valley Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state’s content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

Condition of Facilities - Riverside County Williams Inspection Results

On an annual basis, representatives from the Riverside County Office of Education visit Coachella Valley Unified School District’s and conduct an inspection designed to evaluate and verify that school facilities conditions are in “good repair” and that any deficiencies are accurately reported in the School Accountability Report Cards. The most recent facility inspection for Peter Pendleton Elementary School completed by the county took place on October 3, 2018. Results of the inspection are provided in the following table. Other than routine maintenance, no other facility improvements are planned at this time.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	22.0	28.0	25.0	28.0	48.0	50.0
Math	18.0	19.0	16.0	19.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven

Students with Disabilities	34	34	100.00	2.94
Students Receiving Migrant Education Services	18	18	100.00	22.22

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	25.9	24.1	11.1

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

School-to-home communication is provided in English and Spanish. Parents stay informed on upcoming events and school activities through school newsletters, flyers, monthly calendar, the school web site, school marquee, school Facebook page and ConnectEd. Contact the principal, assistant principal, or any staff member in the school office at (760) 398-0178 for more information on how to become involved in your child's learning environment.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the following individuals are strategically assigned to designated entrance areas, the breakfast area and playground: the principal, assistant principal, teachers, and noon duty supervisors. During recess, the principal, assistant principal, and teachers supervise playground activity. The principal, assistant principal, and noon duty supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, assistant principal, teachers, and four crossing guards monitor student behavior to ensure a safe and orderly departure.

Peter Pendleton Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Safety Plan was developed for Peter Pendleton Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's 2018-19 safety plan was reviewed, updated, subsequently amended, and discussed with school staff in February, 2018.

Professional Development provided for Teachers

All training and curriculum development at Coachella Valley Unified School District revolves around the California State Standards and Frameworks and Common Core State Standards. The district's Educational Services Division works closely with school administrators, teachers, and the superintendent to identify staff training needs based upon review of student performance data results, monthly site leadership collaboration efforts, and principal input.

Staff members refine teaching skills and concepts through participation in conferences and workshops throughout the year. Training activities typically relate to the teacher's area of expertise and covers innovative strategies and techniques to improve student achievement and the quality of classroom instruction. Teachers may participate in district-sponsored seminars presented by district personnel, outside consultants, and lead teachers.

2016-17 District-Sponsored Professional Development:

- Acuity Training (3-6)
- All Things iPad! Reaching All Learners
- AVID Path to Schoolwide Trainings
- AVID Summer Institute
- Best Practices Relating to the New ELA/ELD Standards and Frameworks
- Biliteracy Units of Study
- Common Core State Standards Implementation Using Units of Study
- EADMS Training for Assessment Implementation and Data Analysis

2017-18 District-Sponsored Professional Development:

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
