School Profile

Saul Martinez Elementary School provides instruction for students in grades K-6. During the 2018-19 school year, a total of 1,045 students were enrolled. The school's enrollment for 2018-19 was comprised of 95.9% socio disadvantaged students, 7.0% students with disabilities, and 69.4% English Learners.

School Vision & Mission

The staff of Saul Martinez Elementary School promises to serve, guide, and inspire our students and their families in preparing for academic and social success. We promise to educate the whole child by respecting and promoting each culture. We promise to build on primary language skills to develop students who read, write, and speak in English. We promise our students will acquire the love of learning in a safe, caring, and supportive environment where we promote cooperation and inclusion among all members of our school community.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

All textbooks used in the core curriculum at Saul Martinez Elementary School are being aligned to the Common Core State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's adoption cycle for core content materials (English/language arts, math, science, and social science).

On October 3, 2019, the Coachella Valley Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 2020-12 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social, science, and English/language arts, including the English language development component of an adopted program, 3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2019-20 school year, Coachella Valley Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

.District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

2018-19 Campus Improvements:

- Installation of solar panels in the playground and parking lot areas
- * Classroom Repairs due to flooding

Planned 2019-2020 Campus Improvements:

- * Classroom repairs due to flooding
- * Repairs to playground equipment
- * Grates installed on portable classroom windows
- * Repairs to outside drainage systems to prevent future flooding

Every morning before school begins, the day custodian unlocks the school gates and inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Saul Martinez Elementary School. The day custodian is responsible for:

- Cafeteria Cleanup/Setup
- General Maintenance
- Restrooms

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classrooms
- Library
- Faculty Lounge
- Restrooms
- Office Areas
- Afternoon/Evening Events Preparations

The principal and secretary communicate with custodial staff daily concerning maintenance and school safety issues. In order to improve the the day-to-day operations of Saul Martinez Elementary School. We conduct the following:

- * Principal and head custodian conduct monthly site inspections.
- * Review and analyze the findings of the County site inspection. The principal and the custodial staff meet to identify areas of strength and weaknesses. A plan of action is created to improve the day-to-day operations of the site.

Campus Supervision

School administration, Safety Supervisors and Teachers place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the following individuals are strategically assigned to designated entrance areas, the breakfast area and playground: the principal, assistant principal and Safety Supervisors. During breaks, students are supervised by the Principal, Assistant Principal and Safety Supervisors. They monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the Principal, Assistant Principal, Teachers, and Crossing Guards monitor student behavior to ensure a safe and orderly departure. The administration assists with morning, lunch, and afternoon supervision of students.

Saul Martinez Elementary School is a student only campus/closed campus. During school hours, all visitors must sign in at the school's office, show ID and wear identification badges while on school grounds.

Condition of Facilities - Riverside County Williams Inspection Results

On an annual basis, representatives from the Riverside County Office of Education visit Coachella Valley Unified School District's schools to conduct an inspection designed to evaluate and verify that school facilities conditions are in "good repair" and that any deficiencies are accurately reported in the School Accountability November 5, 2019. Results of the inspection are provided in the table below.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

ELA	32	34	28	29	50	50
Math	33	30	19	21	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Safety Plan was developed for Saul Martinez Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's 2019-20 school safety plan was reviewed, updated, and approved by the SSC on February 20, 2019. It was board approved on March 21, 2019.

Number of school days dedicated to Staff Development and Continuous Improvement			

All training and curriculum development at Coachella Valley Unified School District revolves around the California State Standards and Frameworks and Common Core State Standards. The district's Educational Services Division works closely with school administrators, teachers, and the superintendent to identify staff training needs based upon review of student performance data results, monthly site leadership collaboration efforts, and principal input.

Staff members refine teaching skills and concepts through participation in conferences and workshops throughout the year. Training activities typically relate to the teacher's area of expertise and covers innovative strategies and techniques to improve student achievement and the quality of classroom instruction. Teachers may participate in district-sponsored seminars presented by district personnel, outside consultants, and lead teachers.

The district offers two distinct programs to support professional growth and improve instruction in the classroom. The Beginning Teacher Support and Assessment (BTSA) program offers support and assistance to newly credentialed teachers. All participating new teachers are provided peer support over a two-year period. The Peer Assistance and Review (PAR) program is available to veteran teachers who need to improve instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance. Experienced and knowledgeable veteran teachers, referred to as “coaches”, are paired with teachers referred to the PAR program to provide individualized guidance, support, and training.

Classified staff receive job-related training from qualified district personnel and consultants. Special education aides received specialized training from district office personnel. Long-term substitute teachers are invited to attend designated training sessions.

Professional Staff Development at Saul Martinez Elementary is based on data and the Common Core State Standards. Staff receive strategies to help improve their skills, and student learning. Writing is key to success of our school. Saul Martinez Elementary is in the 4th year of implementation of the writing process. AVID And PBIS are skills the staff incorporate in their daily lessons. Twice a week we offer professional development after school for an hour. Once a month teachers are released by substitutes and receive professional development based on data.
