Juan Lopez  
 Interim Superintendent

Gregory J. Fromm  
 Assistant Superintendent  
 Business & Finance

Dr. Jason B. Angle  
 Assistant Superintendent  
 Educational Services

Chona M. Killeen  
 Assistant Superintendent  
 Human Resources

### Principal's Message

Discover the many ways that parents, students, teachers, staff, community partners and volunteers have helped make Palm View Elementary School a place where life-long learning begins and is encouraged. The Palm View teachers are talented and skilled and dedicated to providing the best learning experience for our students. Not only do they help the students learn, they encourage every student to become a life-long learner. Not only do they help with academics, but they also help the students develop positive values about self, others, and the community to which they belong. The teachers model life-long learning by their participation in workshops and courses which improve their skills as educators. New research and new resources are brought into the classroom to benefit our students.

Our parents, too, are "United in Learning" as demonstrated by their participation in classes and workshops offered by the school. Learning begins in the home and our parents find support for their efforts not only at the school but also within the larger community.

Palm View Elementary School is a safe place to learn. It is a welcoming place that invites every student to learn language arts, mathematics, and those values that make for a good and responsible neighbor and citizen.

The purpose of this "Report Card" is to provide parents and the community with information about the instructional programs and materials, academic achievement, school facilities, and the teachers and staff of Palm View Elementary School in the 2014-15 school year. Understanding the school's instructional program, student achievement, and curriculum development and educational goals will assist parents, school staff, and the community in improving our efforts on behalf of the children. Successes are celebrated and challenges are embraced as we begin the 2015-16 year.

### District & School Profile

Coachella Valley Unified School District covers more than 1,200 square miles of mostly rural desert terrain, serving the communities of Coachella, Thermal, Mecca, Oasis, Indio, and the Salton Sea. The district currently operates fourteen elementary schools, three middle schools, three comprehensive high schools, one continuation high school, and one adult school. Coachella Valley Unified School District has a growing reputation for innovative programs and outstanding staff. Under the federal Title II program, 100% of the district's enrollment are eligible to participate in the Free and Reduced Price meal program.

Palm View Elementary School is located in the northern region of the district's boundaries and serves students in grades transitional kindergarten through six following a traditional calendar. Palm View offers a full-day kindergarten. Strong academic programs and a nurturing environment provide an atmosphere geared for student achievement.

At the beginning of the 2015-16 school year, 556 students were enrolled, including 10.8% students with disabilities, 66.7% English Language Learners, and 96.9% socioeconomically disadvantaged.

Student Enrollment by Subgroup/Grade Level 2015-16			
Ethnic Group	%	Grade Level	#
African American	0.2%	Kindergarten	95
American Indian or Alaskan Native	0.5%	Grade 1	60
Asian	0.0%	Grade 2	62
Filipino	0.0%	Grade 3	84
Hawaiian or Pacific Islander	0.0%	Grade 4	83
Hispanic or Latino	99.1%	Grade 5	89
White (not Hispanic)	0.2%	Grade 6	83
Two or More Races	0.0%	Grade 7	0
Socioeconomically Disadvantaged	96.9%	Grade 8	0
English Learners	66.7%		
Students with Disabilities	10.8%		
Migrant Education	0.0%	Total	
Foster Youth	0.7%	Enrollment	556

## Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

**Conditions of Learning – State Priority 1:** Covered in Teacher Assignment, including the Teacher Credentials & Misassignments & NCLB Compliance charts; Instructional Materials, including the Textbooks chart; and School Facilities & Safety, including the Campus Description and School Facility Good Repair Status charts.

**Parental Involvement – State Priority 3:** Covered in Parent Involvement.

**Pupil Achievement – State Priority 4:** Covered in Standardized State Assessments, including the CAASPP charts.

**School Climate – State Priority 6:** Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

**Other Pupil Outcomes – State Priority 8:** Covered in the Physical Fitness section, including the Physical Fitness Test chart.

## Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

School-to-home communication is provided in English and Spanish. Parents stay informed on upcoming events and school activities through the school website, monthly calendar, and ConnectEd. Contact the assistant principal at (760) 398-2861 for more information on how to become involved in your child's learning environment.

### Opportunities to Volunteer

- Classroom

- Fall Festival
- Literacy Nights
- Open House
- Student Performances
- Parent Conferences
- Parents Training Parents (PTP)
- Parents Educating Parents (PEP)
- Principal's Forum
- Spring Festival
- Winter Festival

## Student Achievement

### Physical Fitness

In the spring of each year, Palm View Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone." Comparative District and state results can be found at the CDE's web site [www.cde.ca.gov/ta/tg/pf/](http://www.cde.ca.gov/ta/tg/pf/).

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2015-16			
Grade(s) Tested	Number of Standards Met:		
	4 of 6	5 of 6	6 of 6
Fifth	18.7%	19.8%	6.6%

*Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

### Federal Intervention Program

The passage of the Every Student Succeeds Act (ESSA), reauthorizing the Elementary and Secondary Education Act (ESEA) in December 2015, is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2015-16, Palm View Elementary School qualified for Schoolwide Title I funding and is therefore subject to comply with Title I program requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. Most of the new provisions under ESSA do not take effect until the 2017-18 school year making 2016-17 a transition year. More information about Title I and Program Improvement can be located on the CDE's website [www.cde.ca.gov/ta/ac/ti/](http://www.cde.ca.gov/ta/ac/ti/).

### California Assessment of Student Performance and Progress (CAASPP)

California Assessment of Student Performance and Progress (CAASPP) Tests assess student performance in English language arts/literacy and Mathematics in grades 3 through 8 and 11, and Science in grades five, eight and ten utilizing computer-adaptive tests and performance tasks. This system is based on the Common Core State Standards (CCSS) and is part of the Smarter Balanced Assessment System.

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable grade level and subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the CAASPP tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website [www.cde.ca.gov/ta/tg/ca/](http://www.cde.ca.gov/ta/tg/ca/).

Socioeconomically Disadvantaged	83	83	100.0%	13.3%	83	83	100.0%	6.0%
English Learners	35	35	100.0%	-	35	35	100.0%	2.9%
Students with Disabilities	15	15	100.0%	-	15	15	100.0%	6.7%

*Note: ELA & Mathematics test results include the Smarter Balanced Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. A dash (-) appears in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.*

Note: Science assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) for students in grades 5, 8 and 10. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## Classroom Environment

### Discipline & Climate for Learning

Palm View Elementary School's discipline policies are based upon a schoolwide discipline plan and PBIS, which are used as a guide to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers follow the PBIS (Positive Behavior Intervention Support) program to establish core values and discipline practices. This program provides tiered, progressive disciplinary interventions to assist students in making the right choice.

Students are advised of school rules and behavior expectations during grade level assemblies led by the assistant principal. Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. Palm View Elementary School employs a progressive approach in managing students who make poor choices in behavior, do not follow school rules, or are disruptive in the classroom.

### Suspensions and Expulsions

	Palm View			CVUSD			CA		
	13-14	14-15	15-16	13-14	14-15	15-16	13-14	14-15	15-16

Expulsions (#)	0	0	0	13	23	25	6,611	5,692	6,227

### Advancement Via Individual Determination

Palm View Elementary School implemented the Advancement Via Individual Determination (AVID) program during the 2015-16 school year for grades 4-6. The AVID program teaches skills and behaviors for academic success, provides intensive support with tutorials and strong student/teacher relationships, creates a positive peer group for students, and develops a sense of hope for personal achievement gained through hard work and determination. Palm View Elementary School is focused on the organizational and note-taking skills for the first year of implementation of this program.

### Class Size

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

## Class Size Distribution Self-Contained Classrooms

Grade	2013-14		
	Average Class Size	Number of Classes*	
		1-20	21-32

4	25.0		3
5	25.0		3
6	23.0	1	3

\*Number of classes indicates how many classes fall into each size category (a range of total students per classroom).

## Curriculum & Instruction

### Instructional Materials

All textbooks used in the core curriculum at Palm View Elementary School are being aligned to the Common Core State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's adoption cycle for core content materials (English/language arts, math, science, and social science).

On September 13, 2016, the Coachella Valley Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 2017-16 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, including the English language development component of an adopted

2014	Yes	Cambium: We Can - Early Learning Curriculum	0%	TK

program, 3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2016-17 school year, Coachella Valley Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

### Staff Development

All training and curriculum development at Coachella Valley Unified School District revolves around the California Content Standards and Frameworks and National Common Core Standards. The district's Educational Services Division works closely with school administrators, teachers, and the superintendent to identify staff training needs based upon review of student performance data results, monthly site leadership collaboration efforts, and principal input.

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. The district allows each teacher to participate in 15 hours of staff development time. Training activities typically relate to the teacher's area of expertise and covers innovative strategies and techniques to improve student achievement and the quality of classroom instruction. Teachers may participate in district-sponsored seminars presented by district personnel, outside consultants, and lead teachers.

2015-16 District-Sponsored Professional Development:

- All Things iPad! Reaching All Learners
- Biliteracy Units of Study
- Common Core State Standards Implementation Using Units of Study
- Read 180/System 44
- Write from the Beginning and Beyond

The district offers two distinct programs to support professional growth and improve instruction in the classroom. The Beginning Teacher Support and Assessment (BTSA) program offers support and assistance to newly credentialed teachers. All participating new teachers are provided peer support over a two-year period. The Peer Assistance and Review (PAR) program is available to veteran teachers who need to improve instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance. Experienced and knowledgeable veteran teachers, referred to as "coaches", are paired with teachers referred to the PAR program to provide individualized guidance, support, and training.

Classified staff receive job-related training from qualified district personnel and consultants. Special education aides received specialized training from district office personnel. Long-term substitute teachers are invited to attend designated training sessions.

### Site-Based Training

Palm View Elementary School works with the Coachella Valley Unified School District to focus on specific areas of study and to improve instructional practices, address areas needing improvement, and implement new programs for improved student learning. During the 2015-16 school year, Palm View Elementary School allocated time for professional development activities focused on:

- AVID Training (4-6 teachers)
- CELDT
- Common Core Standards
- ELA & Math
- English Language Development
- Instructional Strategies
- Number Talks
- Technology Training
- Units of Study
- Write From the Beginning

# Professional Staff

## Counseling & Support Staff

Palm View Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally.

The Counselors and Support Personnel table in this report illustrates the availability of non-instructional support staff to Palm View Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors and Support Personnel (Nonteaching Professional Staff) 2015-16		
	No. of Staff	FTE*
Academic Counselor	0	0.0
Bilingual Psychologist Technician	1	0.1
Nurse	1	0.2
English Learner Support Assistant	1	1.0
Media Technician	1	1.0
Psychologist	1	0.4
Speech & Language Aide	1	0.2
Speech & Language Specialist	2	0.4
Health Assistant	1	1.0
Latino Commission	1	**

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time. \*\* As needed.

## Teacher Assignment

During the 2015-16 school year, Palm View Elementary School had 26 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

	Palm View			CVUSD		
	14-15	15-16	16-17	14-15	15-16	16-17
Total Teachers	26	26	26	801	844	857
Teachers with Full Credential	26	26	26	801	840	853
Teachers without Full Credential	0	0	0	0	4	4
Teachers Teaching Outside Subject Area (with full credential)	0	0	0	4	0	0
Teacher Misassignments for English Learners	0	0	0	1	1	1
Total Teacher Misassignments*	0	0	0	1	1	1
Teacher Vacancies	0	1	0	17	15	9

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. \*Total teacher misassignments includes the number of misassignments of teachers of English Learners.

In the adjacent table, which identifies the number of classrooms taught and not taught by NCLB-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

	Core Academic Classes	
	Taught by Highly Qualified Teachers	
	% of Classes in Core Academic Subjects Taught by HQT	% of Classes in Core Academic Subjects Not Taught by HQT
	2015-16	
Palm View	96.0%	4.0%
District Totals		
All Schools	99.0%	1.0%
High-Poverty Schools	99.0%	1.0%
Low-Poverty Schools	-	-

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40% or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39% or less in the free and reduced price meals programs.

# School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Palm View Elementary School's original facilities were built in 1939; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

## 2015-16 Campus Improvements:

- Upgrades to casework classrooms
- Addition of a new kinder restroom
- Addition of retaining walls in front of the 3rd grade classrooms

Every morning before school begins, the custodian inspects the school perimeter and facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian is assigned to Palm View Elementary School. The day custodian is responsible for:

- Auditorium
- Cafeteria Cleanup/Setup
- General Maintenance
- Library
- Office
- Restrooms
- Teacher Workroom and Lounge

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classrooms
- Restrooms
- Auditorium

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Cafeteria	1
Library	1
Staff Lounge	1
Teacher Work Room	1

**Campus Supervision**

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the following individuals are strategically assigned to designated entrance areas and playgrounds: three noon supervisors and administrators. During recess, the principal, assistant principal, and six yard supervisors monitor playground activity. The principal, assistant principal, and six yard supervisors oversee lunch time activity in the cafeteria and on the playgrounds. At the end of the day when students are dismissed, all teachers, administrators, and the crossing guard supervise student behavior to ensure a safe and orderly departure.

Palm View Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

**Condition of Facilities - Riverside County Williams Inspection Results**

On an annual basis, representatives from the Riverside County Office of Education visit Coachella Valley Unified School District's schools that are in the API Decile Ranks 1-3. The inspection is designed to evaluate and verify that school facilities conditions are in "good repair" and that any deficiencies are accurately reported in the School Accountability Report Cards. The most recent facility inspection for Palm View Elementary School completed by the county took place on November 18, 2016. Results of the inspection are provided in the table below.

**School Site Safety Plan**

The Comprehensive School Site Safety Plan was developed for Palm View Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed and updated in April 2016, and discussed with school staff in August 2016.

School Facility Good Repair Status				
Item Inspected	Repair Status			Repair Needed and Action Taken or Planned
Inspection Date:				
November 18, 2016	<b>Good</b>	<b>Fair</b>	<b>Poor</b>	
Systems	✓			
Interior Surfaces		✓		P Boys RR - Hole in wall; Rm 44 - Misplaced ceiling tiles; Library - Stained ceiling tile
Cleanliness	✓			Auditorium - Strong sewer smell; Auditorium Girls RR - Bugs in light diffuser; Room 12 - Dirty sink
Electrical	✓			Auditorium & Library - Two lights out; Auditorium Boys RR - Hand dryer won't stay on
Restrooms/ Fountains	✓			Girls RR - One broken toilet paper dispenser; Boys RR - Two broken toilet paper dispensers
Safety	✓			
Structural	✓			
External	✓			K Playground - Rubber surface needs patching
Overall Summary of School Facility Good Repair Status				
	Exemplary	Good	Fair	Poor
Overall Summary		✓		

Percentage Description Rating:  
*Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.*

# SARC Data & Internet Access

## DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Palm View Elementary School and comparisons of the school to the district, the county, and the state. DataQuest provides reports for school accountability including but not limited to CAASPP, enrollment, and staffing.

## Public Internet Access Location

Parents may access Palm View Elementary School's SARC and access the Internet in the school's library or at any of the county's public libraries. The closest library to Palm View Elementary School is the Coachella Branch Library located at 1538 Seventh Street, Coachella.

 Printers available: Yes

# District Expenditures

## Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2014-15 salary comparison data was the most recent data available at the time this report was published.)

## Expenditures Per Student

For the 2014-15 school year, Coachella Valley Unified School District spent an average of \$10,112 of total general funds to educate each student (based on 2014-15 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

Salary Comparison 2014-15		
	CVUSD	State Average of Districts in Same Category
Beginning Teacher Salary	45,708	44,958
Mid-Range Teacher Salary	73,691	70,581
Highest Teacher Salary	94,705	91,469
Average Principal Salaries:		
Elementary School	109,412	113,994
Middle School	125,908	120,075
High School	130,044	130,249
Superintendent Salary	231,000	218,315
Percentage of Budget For:		
Teacher Salaries	36	38
Administrative Salaries	5	5

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Current Expense of Education Per Pupil 2014-15					
Dollars Spent Per Student					
Expenditures Per Pupil	Palm View	CVUSD	% Difference - School and District	State Average for Districts of Same Size and Type	% Difference - School and State
Total Restricted and Unrestricted	5,843	N/A	N/A	N/A	N/A
Restricted (Supplemental)	314	N/A	N/A	N/A	N/A
Unrestricted (Basic)	5,529	4,809	115.0%	5,677	84.7%
Average Teacher Salary	74,429	76,521	97.3%	74,216	103.1%

Note: Cells with N/A values do not require data.

In addition to general fund state funding, Coachella Valley Unified School District receives state and federal categorical funding for special programs. For the 2014-15 school year, the district received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- Agricultural Career Technical Education Incentive
- California Clean Energy Jobs Act
- Economic Impact Aid (EIA)
- Education Protection Account
- Governor's CTE Initiative: California Partnership Academies
- Head Start Program
- Indian Education
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other Federal Funds
- Other Local: Locally Defined
- Partnership Academies Program
- Quality Education Investment Act
- Special Education
- State Lottery
- Title I, II, III
- Vocational Programs

## Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Coachella Valley Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials section was acquired in December 2016 and the school facilities section was acquired in January 2016.
