Principal's Message

As principal, I have the unique privilege of introducing to you the annual School Accountability Report Card for Peter Pendleton School. Whether student, parent, staff, or community member, the data contained within these pages will prove useful in informing you about our school and community, including, but not limited to: demographics, achievements, progressive evaluation, ongoing goal realization, discipline, budget, and facility enhancement.

In accordance with Proposition 98, every school in California is required to issue an annual School Accountability Report Card. However, we view this as not only a means of complying with state legislation, but an opportunity to publish the accomplishments we take great pride in sharing, and set forth goals and focal points for future endeavors that will be paramount in determining the effectiveness of next year's programs and activities.

In an effort to improve the quality of our educational programs, we have developed a schoolwide program that gives us the opportunity to implement whole-school reform, establish high-quality instructional programs, and increase students' academic achievement based on rigorous standards in reading, math, and oral language development.

Our goal in presenting you with this information is to keep the lines of communication open and welcome any suggestions, comments, or questions you may have. It is the opinion of the district and the staff, myself in particular, that a well-informed public is vital in continuing to advance in an ever-evolving world. Thank you for helping Peter Pendleton School change with the times and maintain flexibility in this and future generations.

District & School Profile

Coachella Valley Unified School District covers more than 1,200 square miles of mostly rural desert terrain, serving the communities of Coachella, Thermal, Mecca, Oasis, Indio, and the Salton Sea. The district currently operates fourteen elementary schools, three middle schools, three comprehensive high schools,

one continuation high school, and one adult school. Coachella Valley Unified School District has a growing reputation for innovative programs and outstanding staff.

Peter Pendleton Elementary School is located in the northern region of the district's boundaries and serves students in grades kindergarten through six following a traditional calendar. At the beginning of the 2015-16 school year, 608 students were enrolled, including 5.3% students with disabilities, 68.3% English Language Learners, and 94.9% socioeconomically disadvantaged.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning – State Priority 1: Covered in Teacher Assignment, including the Teacher Credentials & Misassignments & NCLB Compliance charts; Instructional Materials, including the Textbooks chart; and School Facilities & Safety, including the Campus Description and School Facility Good Repair Status charts.

Parental Involvement – State Priority 3: Covered in Parent Involvement.

Pupil Achievement – State Priority 4: Covered in Standardized State Assessments, including the CAASPP charts.

School Climate – State Priority 6: Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Other Pupil Outcomes – State Priority 8: Covered in the Physical Fitness section, including the Physical Fitness Test chart.

Parent Involvement

Parents are encouraged to get involved in their child’s learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

School-to-home communication is provided in English and Spanish. Parents stay informed on upcoming events and school activities through school newsletters, flyers, monthly calendar, the school web site, school marquee, and ConnectEd. Contact the principal, assistant principal, or any staff member in the school office at (760) 398-0178 for more information on how to become involved in your child’s learning environment.

Student Achievement

Physical Fitness

In the spring of each year, Peter Pendleton Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test measures each student’s ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the “healthy fitness zone.” Comparative District and state results can be found at the CDE’s web site www.cde.ca.gov/ta/tg/pf/.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2015-16			
Grade(s) Tested	Number of Standards Met:		
	4 of 6	5 of 6	6 of 6
Fifth	22.6%	12.9%	22.6%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Federal Intervention Program

The passage of the Every Student Succeeds Act (ESSA), reauthorizing the Elementary and Secondary Education Act (ESEA) in December 2015, is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2015-16, Peter Pendleton Elementary School qualified for Schoolwide Title I funding and is therefore subject to comply with Title I program requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. Most of the new provisions under ESSA do not take effect until the 2017-18 school year making 2016-17 a transition year. More information about Title I and Program Improvement can be located on the CDE’s website www.cde.ca.gov/ta/ac/ti/.

California Assessment of Student Performance and Progress (CAASPP)

California Assessment of Student Performance and Progress (CAASPP) Tests assess student performance in English language arts/literacy and Mathematics in grades 3 through 8 and 11, and Science in grades five, eight and ten utilizing computer-adaptive tests and performance tasks. This system is based on the Common Core State Standards (CCSS) and is part of the Smarter Balanced Assessment System.

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school’s overall score in each applicable grade level and subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the CAASPP tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education’s website www.cde.ca.gov/ta/tg/ca/.

Note: ELA & Mathematics test results include the Smarter Balanced Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. A dash (-) appears in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Classroom Environment

Discipline & Climate for Learning

Peter Pendleton Elementary School's discipline policies are based upon a schoolwide discipline plan, which is used as a guide to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Teachers follow the PBIS (Positive Behavior Intervention Support) program to establish core values and discipline practices based on four simple rules. This program provides tiered, progressive disciplinary interventions embedded into campus culture to assist students in making good choices.

Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. Peter Pendleton Elementary School employs a progressive approach in managing students who make poor choices in behavior, do not follow school rules, or are disruptive in the classroom.

Peter Pendleton Elementary has implemented the PBIS program, Positive Behavior Intervention and Support, which is comprehensive curriculum to promote responsible, safe behaviors as well as bully prevention strategies through classroom activities, presentations, hands-on activities, and scripted weekly lessons.

Advancement Via Individual Determination

Peter Pendleton Elementary School implemented the Advancement Via Individual Determination (AVID) program during the 2015-16 school year in the second grade. The AVID program teaches skills and behaviors for academic success, provides intensive support with tutorials and strong student/teacher relationships, creates a positive peer group for students, and develops a sense of hope for personal achievement gained through hard work and determination. Peter Pendleton Elementary School is focused on the organizational and note-taking skills for the first year of implementation of this program.

Curriculum & Instruction

Instructional Materials

All textbooks used in the core curriculum at Peter Pendleton Elementary School are being aligned to the Common Core State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's adoption cycle for core content materials (English/language arts, math, science, and social science).

On September 13, 2016, the Coachella Valley Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 2017-16 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, including

The district offers two distinct programs to support professional growth and improve instruction in the classroom. The Beginning Teacher Support and Assessment (BTSA) program offers support and assistance to newly credentialed teachers. All participating new teachers are provided peer support over a two-year period. The Peer Assistance and Review (PAR) program is available to veteran teachers who need to improve instructional skills, classroom management strategies, subject knowledge, and/or related aspects of their teaching performance. Experienced and knowledgeable veteran teachers, referred to as "coaches", are paired with teachers referred to the PAR program to provide individualized guidance, support, and training.

Classified staff receive job-related training from qualified district personnel and consultants. Special education aides received specialized training from district office personnel. Long-term substitute teachers are invited to attend designated training sessions.

Site Based Training

Through the collaborative efforts of Peter Pendleton Elementary School's principal, project facilitator, and leadership team, specific areas of study are selected to improve instructional practices, address areas needing improvement, and implement new programs for improved student learning. The principal, assistant principal, and school leadership team identify professional training needs based upon results of student performance data analysis and input from teaching staff. During the 2015-16 school year, Peter Pendleton Elementary School allocated time after school on early release Wednesdays for professional development and Professional Learning Community activities focused on:

- Activity Training
- AVID
- CELDT
- Common Core Standards
- Designated & Integrated ELD
- Fix & Growth Mindset
- Lexia Learning Training
- Number Talks
- Standards, Objectives and Rigor
- Structured Student Interaction
- Technology in the Classroom (iPads)
- Units of Study: Language Arts & Math

the English language development component of an adopted program, 3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 4) laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2016-17 school year, Coachella Valley Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Staff Development

All training and curriculum development at Coachella Valley Unified School District revolves around the California Content Standards and Frameworks and National Common Core Standards. The district's Educational Services Division works closely with school administrators, teachers, and the superintendent to identify staff training needs based upon review of student performance data results, monthly site leadership collaboration efforts, and principal input.

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. The district allows each teacher to participate in 15 hours of staff development time. Training activities typically relate to the teacher's area of expertise and covers innovative strategies and techniques to improve student achievement and the quality of classroom instruction. Teachers may participate in district-sponsored seminars presented by district personnel, outside consultants, and lead teachers.

Professional Staff

Counseling & Support Staff

Peter Pendleton Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally.

The Counselors and Support Personnel table in this report illustrates the availability of non-instructional support staff to Peter Pendleton Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time. ** As needed.

Teacher Assignment

During the 2015-16 school year, Peter Pendleton Elementary School had 27 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

In the adjacent table, which identifies the number of classrooms taught and not taught by NCLB-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Peter Pendleton Elementary School's original facilities were built in 1964; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests.

2015-16 Campus Improvements:

- Painting the exterior of the portables
- Repairs to portables ramps

2016-17 Planned Campus Improvements:

- Installation of a drinking fountain
- Installation of three water faucets with bottle fillers
- Installation of two soccer goals on the playground
- Repainting of the parking lot and add the crosswalk in the parking lot area

Every morning before school begins, the custodian and security tenant inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Peter Pendleton Elementary School. The day custodian is responsible for:

- Cafeteria Cleanup/Setup
- General Maintenance
- Library
- School Office

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Restrooms
- Classrooms
- Emptying Trash Receptacles
- Office Areas

The principal communicates with custodial staff as needed concerning maintenance and school safety issues.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the following individuals are strategically assigned to designated entrance areas, the breakfast area and playground: the principal, assistant principal, teachers, and noon duty supervisors. During recess, the principal, assistant principal, and teachers supervise playground activity. The principal, assistant principal, and noon duty supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, assistant principal, teachers, and four crossing guards monitor student behavior to ensure a safe and orderly departure.

Peter Pendleton Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Peter Pendleton Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school safety plan is reviewed and updated in April 2016, and discussed with school staff in September 2016.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2014-15 salary comparison data was the most recent data available at the time this report was published.)

Expenditures Per Student

For the 2014-15 school year, Coachella Valley Unified School District spent an average of \$10,112 of total general funds to educate each student (based on 2014-15 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)
